

Batch Pro

Programmable Panel Cutter

This computerized panel cutter from Gribetz International automates your mattress panel production for improved efficiency and greater yield, and it communicates with most Gribetz quilters for Batch Mode/AutoSchedule® operations. Gribetz Batch Mode can save \$10,000s per year by reducing wasted materials associated with crop-outs occurring at material splice points.

SPECIFICATIONS	BATCHPRO
Available Cutting Widths	90"/229 cm
	110"/279 cm
	136"/345 cm
Max length	90"/228.6 cm
Max Cutting thickness	3"/76 mm
Voltage	Any 3 Phase Voltage-Includes Multi-tap Transformer
Current (amps)	10, 15 or 20 depending on Voltage
Air Pressure	90 psi/ 6.2 bar
Air Consumption	3 CFM
CE Approved	Yes
Weight	2,400 lbs/1,089 kg
Height (90" model)	93" /236 cm
Width (90" model)	152"/386 cm
Length (90" model)	111"/282 cm
Repeatability	+/- 1/4" /6.4 mm

The Batch Pro programmable panel cutter extends the high-throughput benefits of a Gribetz quilter to the panel cutting operation. State-of-the-art technology automates the crosscut and trim functions and communicates with Paragon series and V16 quilt machines for Batch Mode/AutoSchedule® operation.

- Large diameter, 10 in (254 mm) cutting blade provides superior cutting and efficient cycle time.
- Capable of cutting quilted panels up to 3 in (76 mm) thick.
- Single-blade slitter.
- High-speed capability – accepts quilting machine feed rate of 3 yards (2.74 m) per minute.
- Meets all OSHA and CE Safety directives.
- Optional windup attachment available.
- Control panel functions include feed & roller – forward/reverse; feed & roller jog; sweep cut.
- Electronically controlled accumulator system.
- High-speed, high-torque electric motors.
- Manual sharpener.
- Touchscreen control with industrial quality control system.

Global Systems Group® (GSG) is a collection of the world's leading mattress machinery companies. These GSG machinery companies represent leading-edge technology in computerized quilting machines and panel cutters, automated and conventional sewing machines, material handling solutions, and mattress-packaging equipment.
