Pattern Compensation	Yes
Equistitch	Yes
Modem	Yes
Air Pressure	90 psi/6.2 bar
Air Consumption	1.2 CFM
Current (amps)	40, 60 or 70 depending on Voltage
Voltage	Any 3 Phase Voltage- Includes Multi-tap Transformer
CE Approved	Yes
Weight	10,120 lbs/4,590 kg

The B45 combines stylish creativity and mass production efficiency. Its innovative stitching and integrated slitters make it possible to produce high-speed intricate quilting, applied decorative ribbons, and tapes while maintaining high-yield throughput.

- Designed for a highly efficient border work cell.
- Can produce enough quilted border to accommodate the quilt panel production of two panel quilters.
- Capable of quilting most continuous pattern styles and Tack & Jump® patterns.
- Runs at speeds up to 1000 rpm.
- Includes integrated border slitter and wind-up device.
- Includes Gribetz Point & Sew™ computerized touchscreen controls.

Optional integrated decorative ribbon application systems available.

Global Systems Group® (GSG) is a collection of the world's leading mattress machinery companies. These GSG machinery companies represent leading-edge technology in computerized quilting machines and panel cutters, automated and conventional sewing machines, material handling solutions, and mattress-packaging equipment.
