# LAZZ-30DPT Long Arm Zig Zag label sewer with Power Trac top feed

LAZZ-30DPT is a long-arm, zig-zag label sewer with a patented Dual Power Trac top-belt feed for heavy quilts. This belt is synchronized to the machine feed for perfectly flat labels and consistent stitch size. LAZZ-30DPT accepts a 30" capacity underneath the sewing arm and its reverse mode allows the operator to sew backward.

## Features & Benefits

- Heavy-duty zigzag label-sewing workstation
- Patented Dual-Power Trac top belt feed for heavy quilts
- Power Trac belts synchronized to machine feed for perfectly flat labels and consistent stitch size
- 30" capacity underneath the sewing arm
- Reverse mode allows operator to sew backwards, reducing material handling and cycle time
- 2-position electronic needle-positioning motor
- Needle stops in down position for panel pivoting in corners
- Options:
  - Stand-up table extensions
  - Ergonomic height/angle adjustable stand
  - GAP-AT Air table
