Legacy 4/2

The Legacy is a value-priced, high-speed, multi-needle quilting machine from Gribetz. This chainstitch quilter is designed, engineered, and built by Gribetz within facilities owned and operated by Gribetz and Global Systems Group. You can be confident that the Legacy maintains the Gribetz heritage of innovation that has established worldwide standards in the industry.

The Legacy quilts all classes of patterns, including 360-degree, Tack & Jump, and it comes standard with a large selection of these included. The advanced features of the Legacy make it ideal for quilting mattress panels, borders, bedspreads, and comforters.

The Legacy can be combined with one of our panel cutters, or match it with a border splitter to form a high-volume border work cell.
