Mattress Master Elite

The Mattress Master Elite is the world's most advanced tape edge machine. Mattress heights can range from 1 – 500 mm. The integrated belt table and flip mechanism make tape edge operations the easiest in the industry. The newly designed bail arm drive affords the operator more leg room, allowing him or her to work more comfortably and achieve better quality of work. The movements of the bail arm are also stronger and smoother.

Features & Benefits

- Maximum mattress height 500 mm (20")
