Mattress Master OPTIMA

The Mattress Master OPTIMA combines over 20 years in semi-automatic tape edging with the latest technology. The OPTIMA utilizes a strong turning arm, flip device, and motorized belt tables to simplify the tape edge process and make it more ergonomically safe than traditional manual operations.

The Mattress Master OPTIMA simplifies the operation so you can improve your tape edge productivity and finished quality without the high-cost investment of skilled operators.

Features & Benefits

- New style pedestal
- New touchscreen controls
- A choice of sewing head options (300U or Pfaff)
- The same robust high-quality build as all the Gateway Mattress Masters
